With the help of her family and support of friends, she starts her first business, Elle's Elegant Tables. She organizes her idea and creates a plan but more important, Elle believes in herself. Even as a few neighbors say no thank you to her flyers, Elle shakes off disappointment, harnesses perseverance and ultimately gets her first customer! You and your kids will be cheering Elle on as she builds her little business and read where dreams may take her. Author, Andrea B. Newman, creates an innovative and fun way for children to be introduced to the basic aspects of business.
