

Elsevier Adaptive Quizzing for Modern Dental Assisting (Retail Access Card), 11e

Corresponding chapter-by-chapter to Modern Dental Assisting, 11th Edition, Elsevier Adaptive Quizzing is the fun and engaging way to focus your study time and effectively prepare for class, course exams, and summative exams. Elsevier Adaptive Quizzing is comprised of a bank of high-quality practice questions that allows you to advance at your own pace ? based on your performance ? through multiple mastery levels for each chapter. A comprehensive dashboard allows you to view your progress and stay motivated. **UNIQUE!** Elsevier's trusted, market-leading content serves as the foundation for all questions, which are written, reviewed, and leveled by experienced nursing educators, item writers, and authors. **UNIQUE!** Unfolding questions become progressively more complex as you advance to higher levels, incorporating concepts such as delegation, multi-system disease, or complicating conditions to help you strengthen your critical thinking and clinical reasoning skills. **UNIQUE!** Essential test-taking tips and strategies help you learn how to successfully dissect and tackle different question types and improve test-taking skills for both course exams and the summative exams. Confidence level indicators allow you to indicate your confidence when submitting answers, providing valuable insight into areas where you might require further study. **UNIQUE!** Practice in Study Mode, which provides immediate feedback, or in Exam Mode where the quiz is timed and results are summarized at the end. **UNIQUE!** In addition to detailed rationales for each question, select questions include interactive, multimedia resources such as illustrations, animations, videos, audio clips, and study tips to help you master challenging material. The engaging, easy-to-use interface ensures that you'll be able to navigate through the program with

ease. Multiple mastery levels for each chapter, topic, or concept allow you to progress from one level to the next based on your performance. Alternate item format questions ? including multiple-response, fill-in-the-blank, prioritizing, graphic item options, chart/exhibit, video, audio, and hot spot ? provide valuable summative exams preparation. The comprehensive dashboard allows you to view your personal learning progress with summaries of your strengths, weaknesses, mastery levels, and normative data.
