

EntreLeadership: 20 Years of Practical Business Wisdom from the Trenches

From New York Times bestselling author and nationally syndicated talk radio host Dave Ramsey comes the secret to how he grew a multimillion dollar company from a card table in his living room. Your company is only as strong as your leaders. These are the men and women doing battle daily beneath the banner that is your brand. Are they courageous or indecisive? Are they serving a motivated team or managing employees? Are they valued? Your team will never grow beyond you, so here's another question to consider. Are you growing? Whether you're sitting at the CEO's desk, the middle manager's cubicle, or a card table in your living-room-based startup, *EntreLeadership* provides the practical, step-by-step guidance to grow your business where you want it to go. Dave opens up his championship playbook for business to show you how to: Inspire your team to take ownership and love what they do. Unify your team and get rid of all gossip. Handle money to set your business up for success. Reach every goal you set. And much, much more!
