

Storm Assault (Star Force Series Book 8)

Kyle Riggs has been away from Earth for a long time but that's about to change. In *STORM ASSAULT*, the eighth book of the Star Force Series, the story moves in a new direction. Massive fleets are built by both Star Force and the Imperials but there is a third player in the game: the Blues. A three-way battle for the known star systems breaks out, with the fates of many worlds and species hanging in the balance. Riggs realizes he must destroy his enemies before they destroy him. Seeking justice and revenge, he gathers his strength and ventures out on a mission of conquest from the Eden System. Humanity must fight to survive, and Riggs is the right man for the job. *STORM ASSAULT* is a military science fiction novel by bestselling author B. V. Larson. To read the series in its entirety, start with *SWARM*, book #1.
