

Fanny Hill:Memoirs of a Woman of Pleasure (Illustrated)

This is an erotic tale of a naive young prostitute in bawdy eighteenth-century London. Fanny Hill, shrouded in controversy for most of its more than 250-year life, & banned from publication in the U.S. until 1966, was once considered immoral & without literary merit, even earning its author a jail sentence for obscenity. **** This ebook is for mature readers only. So content may not be appropriate for younger readers. *****
