

# U.S. Government FlashCharts

Colorful, laminated FlashCharts condense information into a bright, portable format, filled with diagrams and illustrations perfect for collecting and carrying anywhere. From the Declaration of Independence and the Constitution to the roles of the three branches of government, U.S. Government FlashCharts clearly and simply explains how America developed, how we established fair rules for a free country, and how our system works today, Its a fabulous research tool for 5th and 6th graders exploring social studies.
