Now in paperback, a dark, romantic novel of love and obsession from National Book Award finalist Deb Caletti. Clara's relationship with Christian is intense from the start, and like nothing she's ever experienced before. But what starts as devotion quickly becomes obsession, and it's almost too late before Clara realizes how far gone Christian is and what he's willing to do to make her stay. Now Clara has left the city and Christian behind. No one back home has any idea where she is, but she still struggles to shake off her fear. She knows Christian won't let her go that easily, and that no matter how far she runs, it may not be far enough....
