

Follow the Money!

George, a newly minted quarter on his way to the bank, is in for quite a day. Hes about to be traded, spent, lost, found, donated, dropped into a vending machine, washed in a washing machine, and generally passed all around town. By the time George finally ends up back at the bank, hes given readers a real run for their money. By George, what a way to practice math, learn about basic economics. and have a few laughs, too!
