

Out of the Ballpark (Spanish edition): Jonron!

Antes de que anotara 400 jonrones ... antes de que lo nombraran jugador mas valioso en la Liga Americana ... antes de que fuera AROD para millones de fanaticos ... era simplemente: Alex. Un niño que queria jugar beisbol mas que nada en el mundo. La estrella del beisbol Alex Rodriguez se ha inspirado en sus propios recuerdos de infancia para crear este emocionante libro para niños. Es la historia de un chico, Alex, que sabe lo mal que se siente al dar un batazo ante un lanzamiento despiadado, o cuando la pelota le rebota a uno entre las piernas. Alex esta decidido a no darse por vencido, ¿aun si eso significa tener que levantarse todos los dias antes del amanecer para practicar bateando o aparando antes de ir a la escuela! Lleno del mismo espiritu de determinacion y amor al deporte que coloco a AROD en una clase aparte, ¡Jonron! es un regalo de este grande del deporte a todos los pequenos jugadores que sueñan con convertirse en estrellas.
