

From Two to One (Ghost Wars Saga Stories Book 1)

Adrien Bochir was an ordinary Captain in the Dorosk Navy, until a sneak attack from the Volsk Navy started a war and killed his wife and son. Now he is driven by a need for revenge. A need which will open his mind to a darker force and lead him down a path he could have never foreseen. From Two to One is the first in a series of short stories which take place in the same universe as The Ghost Wars Saga.
