

## G-Man Volume 2: Cape Crisis

Everybody knows G-Mans powers come from the magic cape he made from his familys magic blanket. But when the extra pieces of his magic cape fall into the wrong hands, things quickly spin out of control! How will G-Man and his superhero friends battle so many bad guys who have all of G-Mans powers? To make matters worse, Wizard Glendolf Williams has bad news for G-Man -- splitting up the cape has corrupted the magic, and G-Man is in danger of losing his powers!
