

Gold Dust

Baseball-loving seventh grader Richard has hopes of turning himself and the new kid, Napoleon, into the best baseball players Boston has seen since the Gold Dust Twins. As long as you have baseball on your side you can overcome anything. Seventh grader Richard Moncreif is convinced baseball will ease newcomer Napoleon Charlie Elliss transition to life in Boston. Napoleon is unlike anyone hes ever met: poised, well educated, and a cricket player from the Caribbean. Napoleon is one of the few black students at Richards school, where racism is pervasive. But Richard believes that he and Napoleon can get through any hardship and become the next Gold Dust Twins, just like the famous pair of Red Sox rookies from 1975. After all, Napoleon is a natural athlete, and Richard knows everything anyone could possibly know about baseball. He just needs Napoleon to play along. This ebook features an illustrated biography of Chris Lynch including rare images from the authors personal collection.
