

## Goldfish: A Novel

I am Lou Brown: Social outcast, precocious failure, 510 and still growing. I was on the fast track to the Olympic superstardom. Now, I'm training boys too cool to talk to me. In a sport I just made up. In a fish tank. My life has quickly become very weird. Nat Luurtsema's YA debut is side-splittingly funny and painfully true to anyone who's just trying to figure out how they fit into the world.
