

The Classic and Contemporary Recipes of Yves Thuries: Modern France Pastry (Hospitality, Travel & Tourism)

Here, Thuries introduces lighter fillings that freeze well - creams and mousses - instead of the classic buttercreams. In addition, he shows readers with a step-by-step approach how to: assemble cakes more easily with cake rings, cake frames, sheet pans and other molds; create today's light, natural decorations with fruit, fruit geles, and chocolate; create incomparable croquembouche (crunch in the mouth) delicacies and much, much more.
