

Stinky & Stan Blast Off! (The Grosse Adventures)

When aliens from outer space land on the roof of Stinky and Stans home, will it be the beginning of the war of the worlds? Nonsense! These aliens worship the Grosse brothers for their farting abilities--the gas that the boys boldly blast causes plants to grow and flowers to bloom. But upon inspection of the boys room, the aliens are presented with quite a fragrant fright... Hold your nose and hang on for another out-of-this world adventure!
