

## Gus & Gertie and The Lucky Charms

Gus and Gertie arrive at the Animals Winter Olympics with dreams of winning gold as Antarctica's first synchronized swimming team. But Gertie's good-luck pin doesn't seem to be bringing the penguin pair any luck at all. First they find out that swimming isn't even an event at the winter games, and then Gertie's pin gets stolen--along with most of the other athletes' lucky charms. It's a good thing that Gus has taken so many photographs! Can you find the clues hidden in the snapshots and help solve the crime? The fine-feathered heroes from Gus & Gertie and the Missing Pearl return for another slapstick easy-to-read mystery. Give them a 10!
