

Henry and the Cannons: An Extraordinary True Story of the American Revolution

Before Washington crossed the Delaware, Henry Knox crossed Massachusetts in winter with 59 cannons in tow. In 1775 in the dead of winter, a bookseller named Henry Knox dragged 59 cannons from Fort Ticonderoga to Boston—225 miles of lakes, forest, mountains, and few roads. It was a feat of remarkable ingenuity and determination and one of the most remarkable stories of the revolutionary war. In *Henry and the Cannons* the perils and adventure of his journey come to life through Don Brown's vivid and evocative artwork.
