Canning and Preserving Guides How To Can Fruits And Fruit Spreads Why Dry Preserve Your Own Food? Canning fruits and fruit spreads, why can your own food? In essence you have the ability to control what you eat, when you eat and where you eat, not to mention the nutrition and pleasure you get from preserving your own food. Of course, this pleasure is even greater if you happen to be also growing your own food. If that is the case you really are in control. In this book you will find out all you need to know about canning fruit, everything is laid out in an easy to follow manner. I do hope you get as much pleasure from preserving your own food as I do. Thanks, Mary-Beth Stenson.
