

How Do I Love Thee

Though written more than a century ago, Elizabeth Barrett Brownings beautiful sonnet rings true today for three young couples who believe in the power of love.

In Night Vision, Brett finds a way to brighten a special girls lonely existence. Bobbys Girl features Dana, who must choose between two brothers, both of whom she loves. Lauras Heart, the third story, introduces 16-year-old Laura Carson, who is hospitalized on a regular basis because of her weak heart. But when tragedy strikes a loved one, she realizes her heart is stronger than she thought and that love lives on forever. From the Hardcover edition.
