

Telecommunications Industry Directory of Venture Capital and Private Equity Firms: Job Hunting? Get Your Resume in the Right Hands

The Telecommunications Industry eBook Directory of Venture Capital and Private Equity Firms is drawn from our database of more than 2,400 venture capital and private equity firms. We chose US and Canadian venture capital/PE firms that invest in the telecommunications industry. Each entry in our directory of Venture Capital and Private Equity Firms include the following information: * Key Contacts with email addresses (if available) * Company name, street address, telephone/fax, email, WWW, if available * Description from the company's web site or other publically available sources The Wall Street Journal has noted that venture capital-backed firms add new jobs at a rate of 25% per year. Find jobs in these rapidly growing companies by contacting their venture capital investors. If you are interested in the smaller, more entrepreneurial situation, here's your chance to work for the next Google or Apple! According to Robert Litan of the Kauffman Foundation, which specializes in promoting innovation in America: Between 1980 and 2005, virtually all net new jobs created in the U.S. were created by firms that were 5 years old or less. Quoted by Thomas Friedman, NY Times 4/3/2010. Use our Venture/PE Search System to reach new venture-backed companies that have the positions you seek. Contact 2,400+ US firms and 5,800+ key contacts. 90% of the venture cap/PE records contain email addresses. Job hunters need to do many things to get a job - - call all their friends and relatives, answer ads, and send out hundreds, even thousands of letters and resumes in a targeted direct email, direct fax or direct snail mail campaign. Our online databases and directories are designed to help you in that last task - to get your personal cover letter and resume to the venture capital/private equity firms that specialize in your field. Custom Databanks, Inc. has been publishing

databases for use on personal computers since 1987. We were the first company to offer recruiter data ready for use on PC diskettes. Our Executive Search System, available since 1987, contains the names and addresses of more than 15,500 top US and Canadian search firms. In addition, we publish the Venture Search System with data on 2,400+ top US and Canadian venture, private equity and investment firms. We update our databases on a continuing basis, surveying the companies by telephone and by using publicly available sources. Our data are widely used by job hunters and career professionals. In addition to many internet sites and resume writers, many of the major professional outplacement companies (Career Partners, Drake Beam, Right Associates, Lee Hecht Harrison, Goodrich & Sherwood, ...) and University career offices (Harvard, Stamford, Columbia, .) use Custom Databanks data through CareerSearch.net or our own online database. You can explore our databases at no charge at <http://customdatabanks.com/ss/explore/> Custom Databanks data are available for download by the record on the internet at <http://customdatabanks.com/ss/> and through resume writers, career coaches, outplacement companies, college career center, and data suppliers. The databases are updated on a continuous basis, the web sites are updated weekly, and the directories updated semi-annually. The information Custom Databanks, Inc. provides is the most up-to-date and accurate available anywhere.
