

Junior Soccer: The Ultimate Training Manual

No sport in the world evokes greater passion among its followers than soccer. A national survey of under-16s has shown soccer to be the most favoured sport among school children in the United Kingdom. This book demonstrates how to harness this enthusiasm among young people to build a strong soccer team. - Including everything from the warm up to the winning goal, this comprehensive guide is the only manual you will ever need. - Each technique is reinforced by step-by-step photographs and simple drills, perfecting the essential skills necessary to progress. - Emphasizes fun and enjoyment throughout, ensuring that youngsters retain their passion and enthusiasm for the game while learning valuable skills such as teamwork and fair play.
