

Great Furniture Ideas for Small Space Living

Living in a small space is a challenge -- especially when shopping for furniture. Its very difficult to find pieces that are the right size and scale so they dont swallow up your space. This book provides some guidelines, photos, and places to shop for small space furniture -- including dining furniture, beds, desks, and some unexpected pieces of furniture as well. The author of this book also showcases small space ideas on the website smallspaceresources.com.
