

How to Draw Animals (Dover How to Draw)

This easy-to-follow guide shows how simple it is to draw pictures of your favorite animals. With it you'll soon be able to create charming portraits of a dog, cat, leopard, moose, giraffe, panda, goose, duck, rooster, lamb, rabbit, cow, camel, elephant, and 16 other creatures. Clear, step-by-step diagrams explain how to join circles, ovals, and other shapes to create a zoo full of easily recognizable figures. Some erasing may be necessary, so use a pencil not a pen. Just follow the instructions and you'll soon be drawing excellent likenesses of a smiling chimpanzee, a prickly porcupine, a bushy-tailed squirrel, and other familiar animals.
