

How To Make Candy At Home

Have you ever wished that you can make those great-looking and yummy-tasting candies that you see professional chefs create, but always thought that a kitchen novice like you could never make them in a million years? Well, here's good news for you... This book *How To Make Candy At Home* was written especially for the beginner by Odette McCormack to give you all the information you need to know about making great-tasting candy in your own kitchen. You'll be amazed how much this guide can teach you about candy-making within 7 days or less. Sure you can experiment on your own, but why take the risk of making costly errors and wasting big money on the wrong equipment? Soon your family and friends will be raving about the delicious treats that you'll be churning out of your kitchen. Yes, you can do it - you only need right guide to tell you how. Here's what you can expect to find in Odette McCormack's *How To Make Candy At Home*:

- * Selecting the right ingredients for any type of candy that you want to make...
- * 3 simple steps towards mastery of candy-cooking temperature...
- * What kitchen tools you absolutely must have, and how to use them to maximum effect...
- * How to make sure that you stay safe when making candy at high temperatures...
- * Little-known candy making secrets from the experts...
- * What is cold water testing... And why you need to know how to do it
- * 3 easy steps to understanding the different types of candy...
- * 2 simple keys to making the most popular candies...
- * **WARNING:** 3 things you must absolutely avoid when making candy...
- * 6 proven methods for melting chocolate...
- * 7 easy tips for making hard candy...
- * How you can save money when buying the best candy making equipment and ingredients...
- * Step-by-step guide on how to make the best and most popular candy recipes...

That's just a tiny fraction of the information you will find in this

professionally-researched guide that you can download within minutes from the comfort of your own home. There are many more amazing tips that you will discover once you start to read it. You deserve the best and it gets no better than Odette McCormacks How To Make Candy At Home.
