

Italian Cats, an unusual Deck of Cards

What is unique in this deck, is the Ten of Hearts: where in the first 1996 edition of 3,000 decks distributed by Gatteria + 3.000 distributed by publisher, there were 11 (!) spots for the ten of hearts. The color images are obviously best seen on a color display, such as the Kindle Fire: but even on an ink display, 600 x 800 pixels, the pictures are nice to look at as they are presented at the maximum allowable dimension.
