

Ahora ?Abracadabra! / And now, Abracadabra! (Spanish Edition)

Descubre las peripecias de un hermoso changuito que huyendo de un cazador, aprende a vencer sus miedos. Esta es una emotiva narracion sobre la selva, sus peligros, pero tambien su magia. Una historia que ayudara a los pequenos a comprender el valor de la vida silvestre y de la madre naturaleza. Description in English: Read the adventures of a little beautiful monkey who is running away from a hunter, learn how he overcomes his fears. This is a very touching story about the jungle, its dangers, but also about its magic. This story will help boys and girls appreciate the value of the rainforest and mother nature.
