

Leisure and Tourism GNVQ (Butterworth-Heinemann GNVQ)

Intermediate Textbook

The Intermediate Textbook is aimed at students studying for the Intermediate Level GNVQ. It also provides the material for students studying at Foundation level. The textbook has a unit-based structure which provides a framework for easy navigation through the text. The step-by-step approach uses icons throughout to identify the essential knowledge, tasks and assignments and encourages students to manage their own learning. The unit assignments, at the end of each section, help students to build up their own portfolios.
