

James Goes Buzz Buzz (Thomas & Friends) (Step into Reading)

James is a very busy and very splendid red engine with many important things to do. He has no time to be bothered by small insignificant bees. But when a buzzing swarm find James warm boiler a cozy place to sit, James is driven completely buggy. What is an important engine to do? Originally by The Reverend W Awdry, this classic story has been adapted to appeal to the reader who is starting to gain confidence in his reading skills.
