

Stories of the Moon (Dot to Dot in the Sky)

Throughout history, the Earth's closest celestial neighbor has inspired and intrigued. People around the world have looked up in awe at the Moon and told stories to explain its mysteries. They imagined that the Moon represented people or animals and believed it to be the cause of strange behavior. *Dot to Dot in the Sky: Stories of the Moon* is a collection of stories from many different cultures about this intriguing orb. Richly illustrated, with fascinating legends from Greece, Korea, England, China, West Africa and Canada, it also includes facts about the moon and astronomy.
