

## Have a Crumby Book: A Collection of Wit and Whimsy from Cincinnati's Favorite Bakery

Started during the Great Depression and surviving long enough to be recognized as one of America's best bakeries (by the Food Networks Best Of, among others), Busken Bakery is as well-loved among Cincinnatians for its delicious donuts, danishes, and muffins as it is for its clever advertising. Have a Crumby Book celebrates a decade of Buskensmart, witty promotion, that have helped define the fun personality of the bakery. Packed with photos of the best of the fully-baked brainstorms of the last ten years, and backed with fascinating descriptions and history, this book will be a collector's item that donut fans will crave.
