

## Meet the Vikings (Encounters with the Past)

Get ready to step back in time and become a Viking in the year 1000! This imaginative text sets the readers as the main character in a story in which they question the people in a Viking community about their culture, including a baker, farmer, artisan, and slave. Viking jewelry, armor, food, and games are a part of the discussion, which is coupled with colorful photographs of characters in costume as well as scenery and artifacts that will truly transport readers back in time.
