

Book Of Abstracts Of The 46th Annual Meeting Of The European Association For Animal Production: Prague, Czech Republic, 4-7 September 1995 (European ... for Animal Production Book of Abstracts)

This is the main publication of the 46th Annual Meeting of the European Association for Animal Production in Prague, 4-7 September, 1995. This book contains 715 abstracts of the invited papers and other presentations including posters. The meeting included sessions in the fields of animal genetics, animal nutrition, animal management and health, cattle production, sheep and goat production, pig production, and horse production. There were also sessions on topics related to several disciplines or species, and these are also included in this text. The book is a reference work for researchers in the field of animal production.
