

Kisses and Lies (Scarlett Wakefield Series)

After discovering that someone saw what looked like Dans emergency EpiPen in A-lister Plums designer handbag, Scarlett and her tough American sidekick, Taylor, sneak into a posh London nightclub, where Plum has a private table. Scarlett is stunned to discover a piece of evidence that might implicate another girl in Plums exclusive circle, Lucy Raleigh. Which means Scarlett must cast a wider net in order to catch the right suspect. Back at school, groundskeeper Jase is hoping to take Scarletts mind off her troubles with some heart-stopping kisses. Scarlett cant help but feel guilty for indulging in romantic rendezvous when she should be hunting down Dans killer. However, once Scarlett finds out how Lucy is connected to Dan, she knows she must drop everything and travel to the McAndrew estate in Scotland to hunt for more clues. But when she arrives, Scarlett becomes the target of a dangerous hunt herself. From the Hardcover edition.
