

## Koi and the Kola Nuts (Rabbit Ears We All Have Tales)

In this humorous African folktale, Koi wants the villagers to honor him as befits the son of a chief. But unless he can accomplish three impossible tasks, he will end up in the cooking pot instead. His problems begin with a scrawny Kola tree, and they end when three unlikely new friends—a snake, an ant, and an alligator—save his life and help him find his rightful place in the world. This powerful adaptation captures the rich textures and folk imagery of African culture. Illustrated by Reynold Ruffins. Ages 5 and up. Part of the award-winning Rabbit Ears series, We All Have Tales. CD and DVD versions using the same text and illustrations are narrated by Whoopi Goldberg with original music by Herbie Hancock. DVD and digital downloads are available at Amazon Disc on Demand and Amazon Instant Video. The audiobook is available at Audible.com. Hard cover library bound editions of the book are available at [www.rabbitears.com](http://www.rabbitears.com). Rabbit Ears stories open a door to the world of great literature. These are timeless and beloved stories that have delighted generations, and continue to offer powerful lessons for today's audiences. Readers of all ages will explore faraway lands and cultures through folktales. You will walk alongside heroes of long ago legends. And discover master storytellers such as Beatrix Potter, Hans Christian Andersen, and Rudyard Kipling. Original illustrations in full color add another dimension to each story, and the texts will foster a love of reading. Get the entire Rabbit Ears library!
