

When Its the Last Day Of School

James can barely contain his excitement on the last day of school, but he vows to be good and get Mrs. Bremwoods last gold sticker of the year. Hes determined not to talk during Silent Reading and he will get his drink at the water fountain properly and not spit out any of it because its warm. At lunch, hell take the wrapper off his straw and not blow it at his friend Tony, and he wont show Tiffany how he can burp and talk at the same time. Itll be a perfect day and at the end, after giving Mrs. Bremwood the biggest hug ever, hell EXPLODE! When it comes to excited kids, not many days can compete with the last day of school. And this is the perfect book to cap off every school year for kids and teachers.
