

## LBX: World Battle, Vol. 6

Welcome to the world of Little Battlers eXperience! In the near future, a boy named Van Yamano owns Achilles, a miniaturized robot made of a new super-strong industrial cardboard. But Achilles is no ordinary LBX. Hidden inside him is secret data that Van must keep out of the hands of evil at all costs! Van and Hiro arrive at Eden, where they must fight against Alfred Gordon and his formidable LBX, Zeus. Trouble arises when Edens two computers, Adam and Eve awaken Misere... an android that Gordon had originally planned on using to attain world dominance. Its time for Van and Hiros final battle!
