

Legends in the Garden: Who in the World is Nellie Stevens?

Oftentimes, we wonder not what our gardens grow, but who our gardens grow. Legends in the Garden is a collection of the history, places, people, and stories behind the names of some of America's most well known plants. These anecdotes, researched and written by authors Linda L. Copeland and Allan M. Armitage, are a compilation of forty-six of these little known origins of plant names.
