Described as a universal genius, Leonardo da Vinci (1452-1519) was also one of the greatest painters that ever lived. Sixteen masterful works of art by this celebrated Renaissance man, adapted by Marty Noble, invite would-be artists of all ages to apply their own colors to skillful renderings of Mona Lisa, The Annunciation, St. John the Baptist, The Virgin of the Rocks, Portrait of Beatrice d'Este, Vitruvian Man, and ten other masterpieces. Color these famous creations with crayons, felt-tip pens or other media, place them near a source of bright light, and enjoy the glow of a lovely stained glass effect.
