

Once upon a Starry Night

Here are the stories of ten great constellations - from Perseus to Hercules, including Pegasus, Argo, Andromeda and Cassiopeia. This magical introduction to the constellations twinkling above us portrays not just stars, but a vast realm of kings and queens, gods, heroes and mystical creatures. Each constellation is described in vivid prose, mixing fact and fiction, drawing on the latest scientific knowledge and the ancient gods after whom the constellations were named.

Once upon a Starry Night (SATB) by GRIER J.W. Pepper Sheet Music An extraordinary night. It was once upon a starry night. In a town called Bethlehem No one dreamed that. Christmas day was coming. Whod a thought this little
