

Fanciful Bear Stories for Small Kids and Factual Bear Stories for Big Kids

In this collection of short stories, Lichfield writes about one of the most interesting animals living in the mountains - the bear. The denizen of the forest-clad mountains which struck terror in the hearts of people living on the rugged slopes of the hills. These sensitive and heart-rending tales of brave hunters and ferocious bears are based on real life incidents. Vividly narrated, the hair-raising anecdotes of the grizzly are sure to hold the readers interest till the last page.
