

## Loose Ends: The Book

Loose ends is BBC Radio Fours very popular award winning programme, which was billed as a cross between Panorama and Monty Pythons Flying Circus and originally scheduled for a 13-week run, but that was over 2 years ago. Now it has an audience of several million. This illustrated volume contains contributions from all the regular members of the team. Last year Loose ends won the Sony Award for the best magazine programme and the Broadcasting Press Award for outstanding contributions to radio.
