On the Cooperative Childrens Book Center Best-of-the-Year list for 2009
Canadian Childrens Book Centre Our Choice, 2009
Starred Choice Ontario Library Associations Golden Oak Award nominee
OLAs Red Maple nominee 2010
Deborah Ellis first collection of short stories explores the lives of children who have been affected directly, or indirectly, by drugs. Sometimes touching and often surprising, the stories are set against backdrops as diverse as the remote north and small town America to Moscows Red Square and an opium farm in Afghanistan. This is an unforgettable collection of stories that will elicit discussions about the toll drugs take on the lives of teenagers and their families.
