

Make The Perfect Cup of Coffee - Without Draining Your Wallet Or Burning Time

You Can Make Excellent Coffee At Home - And Save Lots Of Money And Time! Learn the secrets to making great coffee right at home. No need to buy any fancy equipment or spend lots of time experimenting with different recipes and techniques. Making coffee that tastes as flavorful, rich and smooth as what you would expect from a gourmet coffee shop sounds complicated, but it really comes down to following simple steps that you need to be aware of. Once you know the answers to basic questions like these, you are on your way to great tasting coffee -

- 1) Coffee should be stored in:
 - a) The refrigerator
 - b) A sealed container at room temperature
 - c) The freezer
- 2) The best type of water to use for brewing coffee is:
 - a) Filtered tap water (containing minerals)
 - b) Softened water (hard minerals removed)
 - c) Distilled water (ultra pure)
- 3) You can enhance the flavor of your coffee without adding bitterness by changing:
 - a) The grind size of the coffee
 - b) The amount coffee or water
 - c) The type of water
- 4) You can save money without sacrificing flavor by buying non-branded coffee:
 - a) True
 - b) False

Give it a try - You do not need to drain your wallet to have great coffee!
