

## Manga Claus

A disgruntled employee, dark elven magic, and a horde of cursed toys threaten to put an end to Christmas just as the North Pole is getting ready for the hap-hap-happiest time of year. The only things standing between the destruction of the workshop and the happiness of millions of kids around the world are Santa and his ancient samurai swords, imbued with the spirit of the season. His blades are keen and his bujitsu unmatched, but will they be enough to save the season?
