

## Marvel Masterworks: The Black Panther

Written by DON MCGREGOR Penciled by RICH BUCKLER, BILLY GRAHAM & GIL KANE Cover by GIL KANE Collected for the first time ever, the MARVEL MASTERWORKS bring you the ground-breaking, trend-setting Black Panther from JUNGLE ACTION! In 1973 comics first African super hero took the headlining slot in an ambitious ongoing series, beginning a 13-issue epic unprecedented in its time. Writer Don McGregor teamed with artists Rich Buckler and Billy Graham to tell Panthers Rage, a story so huge it ranges across the savannah, into the deepest jungles and up to the snow-topped mountains of Wakanda. Over its course McGregor & Co. would define TChalla, give full depth and life to the Wakandas and their culture, while pitting the Panther against the murderous Erik Killmonger for control of the kingdom. Not one to rest on his laurels, McGregor then set out to raise the bar once again, sending TChalla to the American South to investigate the murder of Angela Lynne and its connection to the Klan and the history of the Soul Strangler. A challenging storyline by a challenging storyteller, you'll read it and so much more in this much anticipated hardcover classic! Collecting JUNGLE ACTION #6-24. 352 PGS
