

Maxims, Morals, and Metaphors: A Primer on Venture Capital

As an experienced entrepreneur, technologist, and venture capitalist, Scott Chou brings you on the inside of today's startup world. *Maxims, Morals, and Metaphors* is a humorous and profound compilation of business metaphors assembled to teach the art of venture capital. Chou's book demystifies the VC game for all players new to the business. The author's background includes having worked at 5 technology ventures prior to entering the venture capital arena via the prestigious Kauffman Fellows Program. Chou is currently a General Partner at Gabriel Venture Partners in Silicon Valley and holds academic degrees from Caltech, Harvard, and Stanford.
