

The Medieval Knight

Step inside the world of the medieval knight into his castle as he prepares for a feast in the Great Hall, as he enters into battle and as he mounts his horse preparing for the joust. In *The World of the Medieval Knight* stunning cutaway views, brilliant panoramas and step-by-step sequences are all created by the illustrator Brett Breckon. His unique exploded views reveal in lavish detail the intricate way the knight's armor was built. Discover how a page learned how to become a knight, how a knight's horse was armed, how a castle was attacked and defended, how heavy the knight's armor really was and what happened to the role of the knight.
