

## Meet the Presidents Cabinet (A Guide to Your Government)

The men and women who make up the cabinet are the presidents closest advisors. Readers find out what these special people do, including their role in the highest decisions. Fun fact boxes and in-depth sidebars accompany stories of influential cabinet members, and introduce readers to the inner workings of the presidents cabinet. Colorful photographs enhance social studies information and engage young historians learning about this fascinating part of US government for the first time.
