

## The Vulgar Cycle of King Arthur and his Knights of the Round Table

Have you ever wondered what really went on at the Court of King Arthur? Join Sir Lancelot, Merlin, Morgana le Fay and their not-especially-chivalrous companions and find out! In this scurrilous re-working of the Arthurian myths, the foul-mouthed, drunken wastrels of the Round Table reluctantly attempt to fulfil their Quests in a medieval England populated by a cast of violent, duplicitous and insolent grotesques. Psychotic gatekeepers, usurpers to the Crown and a sexually frustrated Queen Guinevere all conspire to distract the Knights from their main objective, that being to drink themselves into oblivion as often as is humanly possible. King Arthur a vainglorious, bumbling fool; Merlin a scabrous con-artist; Sir Gawain possibly the least courageous man to ever serve a King; their stories have never been told quite like this! The legends of the Sword in the Stone, the Lady of the Lake, Gawain and the Green Knight and others are recast as absurdist fables of rampant incompetence, idleness and misanthropy. Action, adventure, romance its all here! If not exactly in the ways you might have been expecting... Fans of Terry Pratchett, Douglas Adams and Monty Python will find plenty to love in this endlessly quotable comic tour-de-force. Read on, for a history lesson youll never forget! **WARNING: CONTAINS SWEARING. LOTS OF IT.\***  
\* Drinking, too. Plus a smattering of sex and violence for good measure. No bloody elves or unicorns though, dont worry.
