

Messi, Neymar, and Suarez: The Barcelona Trio (World Soccer Legends)

Lionel Messi, an attacking genius and longtime player on FC Barcelona, is widely recognized as one of the greatest soccer players in history. When the emerging Brazilian talent Neymar joined him in 2013, they became known as the Invincible Duo. Then, when the colorful Luis Suarez joined their roster the following year, the most unbeatable attacking unit in history had been created. Together, this trio has scored a record-breaking number of goals, and has proven time and again that their strategic unit outshines each player on his own. The book includes details of each players career, vivid photos of the trios electric force on the field, impressive stats, and fun facts about the most successful offensive formation playing today.
